The National Assembly Standing Order 216 spells out the mandate of Departmental Committees which includes to: *vet and report on all appointments where the Constitution or any law requires the National Assembly to approve, except those under Standing Order 204 (that are done by the Committee on Appointments)*. Further, the Second Schedule of the Standing Orders mandates the Committee, among others, to oversee *foreign relations, diplomatic and consular services, and international relations*.

EXECUTIVE SUMMARY

Article 124(4)(a) of the Constitution provides that when a House of Parliament considers any appointment for which its approval is required under the Constitution or an Act of Parliament, the appointment shall be considered by a Committee of the relevant House.

Pursuant to Articles 132(2)(e) and Section 5 of the Public Appointments (Parliamentary Approval) Act, Cap 7F, His Excellency the President forwarded to the Speaker of the National Assembly a notification of nomination containing the names and curricula vitae of four (4) persons for appointment to the positions of Ambassador, High Commissioner, Permanent Representative and Consul-General for consideration for approval by the National Assembly.

On **Friday, 20th December 2024**, and pursuant to Standing Order 42(2), the Speaker of the National Assembly caused the transmission of the Message from the President to every Member since the House was then on recess. Pursuant to Section 4 of the Public Appointments (Parliamentary Approval) Act, 2011 and Standing Order 216(5)(f), the nominees' names were referred to the Departmental Committee on Defence Intelligence and Foreign Relations for vetting and reporting to the House within twenty-eight (28) days.

In accordance with Section 6(9) of the Public Appointments (Parliamentary Approval) Act, Cap 7F, the Clerk of the National Assembly placed an advertisement in the print media on **Tuesday, 24th December 2024**, inviting the public to submit memoranda by way of written statements on oath (*affidavit*) on the suitability or otherwise of each of the nominees in accordance with the provisions of the Public Appointments (Parliamentary Approval) Act, Cap 7F.

The advertisement indicated that the submissions were to be received by **Friday, 3rd January 2025** at 5.00 pm. By the close of the submission deadline, the Committee had received one memorandum from Mr. Eliud Karanja Matindi opposing the approval of Hon. Ababu Namwamba as Permanent Representative to the UNEP/UNON (*Annexure 8*).

Additionally, the Clerk wrote to relevant agencies in compliance with the requirements of Chapter Six of the Constitution on Leadership and Integrity. All the agencies cleared the nominees and affirmed their good standing in matters tax compliance, criminal records, higher education loan repayments, political party affiliations and ethics and integrity.

Further, in fulfilment of the provisions of Article 118 of the Constitution, Section 6(4) of the Public Appointments (Parliamentary Approval) Act, Cap 7F and Standing Order 45(3) of the National Assembly, the Clerk of the National Assembly on **Tuesday, 24th December 2024**, notified the public through the print media that the Committee would conduct the approval hearings from **Friday, 10th January 2025**. Consequently, three nominees appeared before the Committee as scheduled for approval hearings on their suitability or otherwise for appointment.

The Committee observed that Dr. Margaret Nyambura Ndung'u, nominee for High Commissioner to Accra, Ghana, vide a letter dated 9th January 2025 (*Annexure 12*), notified the Clerk of the National Assembly of her withdrawal from the approval process pursuant to Section 6(10) of the Public Appointments (Parliamentary Approvals) Act, Cap 7F, therefore, her nomination lapsed.

Further, pursuant to Section 6(7) & (8) and Section 7 of the Public Appointments (Parliamentary Approval) Act, Cap 7F, the Committee observed that all the three (3) nominees who appeared before it met the integrity threshold; demonstrated knowledge of topical, administrative and technical issues touching on the positions to which they had been nominated; and had the requisite abilities, academic qualifications and professional experience to be approved for appointment as Ambassador, Permanent Representative and Consul-General in accordance with Article 132(2)(e) of the Constitution.

Having conducted the approval hearings pursuant to Article 132(2)(e) of the Constitution; Sections 3 and 8 of the Public Appointments (Parliamentary Approval) Act, Cap 7F; Section 20(2) of the Foreign Service Act, Cap 185E and Standing Order 216(5)(f) of the National Assembly, **the Committee recommends that:**

3.1.2 General and Mission-Specific Questions to the Nominee

58. In order to assess the nominee's overall suitability for the position, the Committee posed questions to the nominee, on his suitability for appointment as the Ambassador of Kenya to Brasilia, Brazil, and the nominee responded as recorded hereunder:

On limited diplomatic experience

59. The nominee acknowledged his background in research and academia, emphasizing his twelve-year tenure at the World Bank, where he operated in a diplomatically oriented environment and gained substantial diplomatic experience. He noted his active engagement with the diplomatic community in Kenya, including serving as co-chair of a committee comprising agricultural donors. Over the past eighteen years, he has maintained significant interactions with diplomats, particularly in negotiations related to agriculture. He highlighted his role as Chairperson of agricultural donors in Kenya in 2015 and his collaboration with international agencies such as USAID and ADB over the last fifteen to sixteen years, which, while not purely within the diplomatic realm, required close interaction with diplomats.

On articulation of government programmes to the public

60. The nominee addressed concerns regarding low public confidence and trust, particularly in relation to the fertilizer subsidy program. He highlighted efforts to resolve reputational issues, ensuring timely disbursement of subsidized fertilizer and implementing measures to procure quality fertilizer on schedule. He emphasized that, during his tenure, fertilizer became both available and reliable in terms of quality. The nominee further noted key milestones achieved before his departure from the Ministry of Agriculture and Livestock Development, including the dispatch of fertilizer to Narok and Bomet and unlocking the tea impasse in Mombasa. He stated that initiatives involving tea agencies are underway and will yield results in due course.
61. Regarding public communication, the nominee explained that he refrained from making statements during his tenure, as his focus was on addressing the challenges he inherited in the Ministry. He expressed confidence that his actions as Cabinet Secretary would speak for themselves. While acknowledging the importance of communication and public articulation of government agendas, the nominee admitted that it remains a significant challenge in government. He cited examples where misinformation, particularly on social media, distorted messages, such as claims about vaccination altering animal genetics. He shared lessons learned on the need for timely communication and proactive countering of misinformation, emphasizing that he would apply these insights moving forward. The nominee committed to ensuring improved communication strategies in his future role in Brazil.

On qualification for appointment as the Ambassador of Kenya to Brazil

62. The nominee highlighted Brazil's focus on agriculture and expressed his intention to utilize his background in agriculture, along with his expertise in areas such as green energy, to foster meaningful engagement and maximize opportunities between Kenya and Brazil. He committed to reviewing and leveraging the existing strategic plan and memoranda to strengthen bilateral cooperation. Additionally, the nominee emphasized his plan to work with the Kenyan diaspora in Latin America, particularly through the Council of African Residents in the Americas (CARA). He also pledged to enhance the activities of the Kenya in Latin America Association to expand Kenya's presence in the region.

On the nominee's short-lived tenure at the Ministry of Agriculture and Livestock Development

63. The nominee acknowledged that his tenure at the Ministry of Agriculture and Livestock Development was brief, attributing the change to H.E. the President's considerations aimed at achieving political balance rather than reflecting on performance. He stated that he does not wish to second-guess the President's decision, as the appointing authority, to reassign him from

Cabinet Secretary to the role of Kenyan Ambassador to Brazil. The nominee expressed gratitude to H.E. the President for the nomination, emphasizing that it is a great honour to serve the country in a different capacity and pledging to dedicate himself to this new role.

On the main achievements in the coffee sector and the Ministry of Agriculture and Livestock Development

64. The nominee highlighted his role in advancing the Coffee Reforms Policy and the Coffee Bill 2024, ensuring they reached the Cabinet and the Houses of Parliament for consideration. However, he acknowledged that the coffee reform process remains incomplete. He also highlighted his efforts in ensuring that fertilizer was more accessible and subsidized.

On the pillars of Kenya's Foreign Policy

65. The nominee emphasized his intention to focus on economic and commercial diplomacy, highlighting Brazil's role as a manufacturing hub and noting that Marcopolo, a Brazilian motor company, already operates in Kenya. He outlined plans to leverage the Brazilian market for Kenyan tea and other agricultural products to boost exports and address the trade imbalance, aiming to make it more favourable to Kenya. He also identified environmental and climate diplomacy as a priority, expressing a commitment to cooperating with Brazil, which will host COP30, as a global leader in climate change and green energy initiatives. Additionally, the nominee discussed the diaspora pillar and proposed working to open up Brazil's labour market to Kenyan workers, particularly given Brazil's significant population of African descent. He noted that the Kenyan mission in Brazil is also accredited to Argentina, Chile, Peru, Bolivia, Paraguay, and Uruguay, underscoring the broader regional opportunities for Kenya.

On the strategy to address the negative trade balance between Kenya and Brazil

66. The nominee outlined his plan to promote economic and commercial diplomacy to improve trade relations between Kenya and Brazil. Building on the efforts of his predecessor, he pledged to strengthen economic ties by introducing Kenyan tea to the Brazilian market and facilitating both inbound and outbound trade missions to promote Kenyan products in Brazil.

On limited knowledge of Portuguese and other languages relevant to the Kenyan Mission in Brazil

67. The nominee acknowledged that he does not speak Portuguese but committed to learning basic conversational Portuguese to facilitate interactions. He noted that, given his age, mastering the language entirely may not be feasible, and he plans to rely on interpreters and leverage technology to support effective communication.

On technology transfer

68. The nominee expressed his commitment to facilitating the acquisition and transfer of technology in agriculture, manufacturing, ICT, renewable energy, construction, and aviation. He noted that some of this technology is already in use, citing examples such as the Affordable Housing Programme and Kenya Airways.
